Morristown Jewish Center Beit Yisrael is your community.

Our clergy is here for you. Please let us know when you need us—if someone is ill or in the hospital—or when you want to share your good news: a new baby, a marriage, or other simcha. We want to know; but you have to tell us. Please call the office at (973) 538-9292 or email office@mjcbj.org. When you have experienced the death of a loved one, please contact Rabbi Nesson at (973) 538-9292 or (973) 285-9772 before you make any plans. In this way he will be the most helpful in making these preparations in a proper Jewish manner.

FROM THE EXECUTIVE DIRECTOR

Sinai – Past, Present, and Future

Our traditions tell us that the singular event at Sinai, the giving of the law by G-d to Moses and Israel, was for all those who were there and for those who were not there. In my mind, there are four transcendent events that define us as the people of Israel and provide the impetus and blueprint for how we are to lead our lives as Jews and as members of humankind.

First is creation, when we come into this world as G-d’s partners in providing stewardship over all that has been created. At this singular moment we were given the blessing of Shabbat to keep and remember (shamor v’zachor) as we sing in L’cha Dodi during Kabbalat Shabbat prayers on Friday evening.

Second is the liberation from slavery that we celebrate at our Seder tables on Pesach. We pass through the parted waters of the Red Sea—both physically and metaphorically—

and emerge as a people ready to take on the responsibilities that G-d will give to us and prepare to follow his vision for our future.

Third is our encounter with G-d’s voice and commandments at Sinai. Even in our fear and trembling, when fire and thunder marked the event in its aftermath, we pledged our fealty and commitment as we responded, “Na’aseh v’nishma” (we will do and we will hear). I will return to this pledge in a moment.

Fourth is the creation of the modern state of Israel now in its 65th year. Just as we emerged through waters of the Red Sea and began our journey as a people in the land of Israel, in 1948 we emerged from the fires of the Holocaust. We as a people began our lives again in our land, the land of our fathers and mothers.

Back now to Sinai and our pledge to listen and to do. Yes, I did reverse the order of the words because it seems more logical. In truth, we did hear G-d at Sinai. Unfortunately, our pledge to do and follow his commandments

was abruptly abrogated when our “lack of faith in Moses” returning down the mountain led to the apostasy of the Golden Calf. We Jews are a stubborn lot or “stiff-necked” as Moses would constantly call them throughout the journey in the desert.

The lesson for us, today’s generation, and to our children (we were all at Sinai), is to remember our commitment and to redouble our efforts in fulfilling our responsibilities. Those include obeying the laws and strengthening our people and our community.

So on Shavuot 5773, why don’t we start our journey begun at Sinai right here at MJCBY.

Get involved, become committed, and in doing so you both enhance your bonds to the people Israel and preserve the heritage and future of your home at MJCBY.

Na’aseh v’Nishma – Let’s Do It.

The children from Jr. Sababah recently held a science Sunday event. They are learning about static electricity by using balloons to make pepper and salt dance. They also made volcanos erupt by using vinegar and baking soda.

KADIMA NEWS

I hope everyone had a relaxing and meaningful Passover. In Kadima we celebrated by eating some of the most delicious chocolate while retelling the story of the Jewish people in Egypt! After not having bread or cookies for eight whole days, Kadima decided it would be a great time to have Cupcake Wars. The children made some of the most interesting cupcakes I have seen and definitely some of the tastiest!

May starts out with our "Make Your Own Kadima Event" on Wednesday, May 8—which activity it will be is still being voted on by your Kadimanicks! More information will come soon. We're just hitting our peak and can't wait for the rest of the Kadima year!

RACHEL LEVY

May 11

Lori and Seth Levy would like to invite the congregation to share in their joy when their daughter, Rachel Alison Levy, is called to the Torah as a Bat Mitzvah on Saturday, May 11, 2013. Rachel is a seventh-grade student at Randolph Middle School. She enjoys soccer, skiing, cooking, computers and spending time with her friends.

Rachel spends her summers at Camp

Deeny Riback. This will be her ninth summer there. Although this will be her last year as a camper, she plans to stay at CDR as a counselor for years to come.

For her mitzvah project, Rachel is a volunteer for the Friendship Circle. The Friendship Circle is an organization dedicated to providing services and support for special needs children and teens. In addition to making Hanukkah baskets for the children, Rachel also volunteered as a camp counselor at Allie's Camp, a special needs program through the Friendship Circle during the winter break. Her most enjoyable volunteer act is spending time with her new friend Rebec-

ca, a special needs teenager whom Rachel visits every other week. Rachel and Rebecca play games, work on arts and crafts projects, and do puzzles together.

In addition, Rachel loves to have lemonade stands during the warm weather and she proudly donates all proceeds to the Randolph animal pound.

It is our pleasure to share this beautiful celebration with our congregation, family and friends.

RELIGIOUS SCHOOL NEWS

We can't believe it! May has arrived and Religious School is coming to a close. What an amazing year! Our classrooms have been filled with smiles, and students have displayed enormous pride in what they have learned. It makes us a little sad to think how empty the Religious School hallways will feel soon—but we will be here, planning and preparing to make next year even better!

During our first year, filling very large shoes as the Religious School Directors, we have created new programming, kept lines of communication open, and worked to ensure that every child's individual needs were met in the Religious School. We also made additions to the curriculum and have started making plans for next year. We have so many ideas! Our commitment to make MJCBY the best place for your families to learn is strong, and we know that next year will be even better than this one.

There have been so many people who have helped us along this journey who we must thank. First, to Flo Sager, who has kept us on schedule, reminding us each step of the way what we must tackle next—thank you! To Rabbi, Cantor, Eric Weinstock, Ivy Rubin, Debbie Brody, and the Religious School Board of Education, we thank you for your support and encouragement. To our amazing teachers, your hard work, dedication to our children, creativity, and enthusiasm go beyond expectation. We are so lucky to have you working with us. Gerry, Mia, and Tamara, your support and willingness to help us every time we need you is so appreciated. Rich and Marco, you have tirelessly set up and cleaned up without complaint—sometimes even last minute! Many, many thanks to all of you!

Parents, we thank you for being our part-

ners in your children's religious education. Your feedback and support has been priceless. You have gotten out of the house early on Sunday mornings to be door greeters. You have listened to your children practicing Hebrew at home and encouraged them to attend Junior Congregation on Saturday mornings. You have assisted with special programming and been active participants in special parent days. You trusted us with the religious education of your children, and we did our best to live up to the expectations that you have had.

Last but definitely not least, to all our students in the Religious School, you have made us so proud. Hearing the learning that has taken place in the classrooms, watching your friendships grow stronger, seeing your confidence in Hebrew and your comfort level here at MJCBY grow has made our jobs feel worthwhile. We know that you are excited to begin your summer vacation—but we can hardly wait for you to return in September!

We wish you a wonderful, relaxing summer. Enjoy your Wednesday afternoons and sleeping in on Sundays during June, July, and August. Don't forget to read the newsletters so that you can be part of exciting activities that continue to take place at MJCBY over the summer.

SHALOM YELADIM UPDATE

We had a wonderful April at Shalom Yeladim. We truly enjoyed having a huge birthday party in celebration of Yom Ha'atzmaut. The children learned about the holiday in their classrooms and then we all came together as a school to celebrate. It was a great morning! We have also started "Kiddie Soccer" as an afternoon program. The children have been having a great time and we are looking forward to offering even more programs to the children and families.

In May, we are looking forward to learning about Shavuot and having Parent/Teacher Conferences. It is also great to see the children have even more time on the playground and in the garden. If you get a chance, come and see the wonderful things that are going on in SY.

WELCOME SPRING!

Our gardening enrichment class has already been very busy in the garden. First we dug out all our old plantings from the summer. We did lots of weeding. And we have planted a variety of lettuce, peas, sweet onions and marigolds. Today we will celebrate Earth Day with a beaded necklace craft and we will plant beautiful flowers in our garden. As the weather gets warmer we will be planting tomatoes, sweet peppers and corn!

Come visit the garden - we would love to have you on Mondays from 1 to 2 pm.

Sisterhood

Greetings from Sisterhood! We hope you have had a sweet and healthy Passover where you were able to enjoy time with family and friends while savoring some of the special dishes we reserve for this time of year. We are eagerly anticipating the warmth and gentle breezes that come with spring—a refreshing reprieve from the climate extremes we've experienced this winter. As we welcome the milder weather, we also are thinking of ways to be active and enjoy the outdoors. On May 23, Sisterhood will host Passport to Travel, a program guaranteed to whet your appetite for travel. This will be no simple show and tell, but rather an opportunity to learn about some of the Jewish highlights our members have experienced in destinations

far and near. I think we will all agree that there is something uniquely special about visiting a synagogue in another country, or eating at a particular kosher restaurant in a far away city. Perhaps you have an experience of this sort that you would like to share. If you want to be part of this program, let us know. This program is particularly important, because it will also include a short business meeting where Sisterhood members will vote on the slate of 2013-2014 Board Nominees.

Once we have tempted you with travel, we are back to business with the installation of our new Board on Tuesday, June 4. Please mark your calendars and plan to join us for a light dinner and installation.

You are all such an essential part of

MJCBY and Sisterhood and we want to know how to make our organization meaningful to you. We also want your participation. In order to learn more about you and what you want from your Sisterhood, we have created an interest survey, which will be in the Sisterhood Snapshot and MJCBY Newsletter. Please take a few minutes to complete this survey and return it to Jill Frankel. We need your feedback to remain relevant and vital to the women of MJCBY. Thank you for your help and wishing all of you a gentle spring.
