## WHAT IS GEMILUT HASADIM?

The Gemilut Hasadim Committee is here to help support you and your family. We provide assistance to our MJCBY families who are experiencing illness, recovering from surgery or need help at a difficult time. We provide meals to help comfort them and lessen one burden of needing to cook during these times.

We are looking for volunteers to make an occasional meal for a MJCBY member who is in need.

ELISA UDASKIN

If you are interested in helping others or in need, contact the MJCBY office or the Elisa Udaskin at [e.udaskin@gmail.com](mailto:e.udaskin@gmail.com). We will discuss your needs and provide meals for you and your family.

# Presidents' Message

REBECCA WANATICK &

AMY WEINSTOCK

**A**t the MJCBY Board of Directors meeting last month, we participated in an exercise together. We asked the members of the board to complete this prompt, ***"I Care About Being Involved in the MJCBY Community Because..."*** We wanted our board to have the opportunity to reflect on why we do what we do to support our MJCBY community. Sometimes it's important to take a step back to reflect on our accomplishments and take time to look ahead at what's yet to come.

We wanted to share a few of the responses of our board members:

- I want a vibrant place for my family (especially my children) to feel accepted and welcome.
- There is a long history that our congregation has had in the area and I do not want to see it disappear. One has to stay engaged in the community - there are many small tasks as well as larger ones one can take on or volunteer for.
- I feel it's a strong responsibility to be involved to keep MJCBY on an even keel for the present and future Jewish community in good times and challenging times.
- I want this community to survive and thrive, and want to use the skills and experience I have to help make that happen.
- For the present and future of our Jewish world in the pluralistic and caring community
- We have a great story to tell about our community and service to the larger Morristown community. We should tell the story and explain that young people are the next chapter in a continuing social action story.
- I find community amongst the members. We're volunteer run so we need each and every one of us to be present, intentional and contribute to the overall success of our shul.

There is so much food for thought in these words and the other thoughts that were shared. While many of the responses indicate that we do what we do to build community for others, there are also intrinsic reasons. We give of our time and energy for ourselves. We value the work that we do and while we want to do good for others, it also feels good to do good.

In a recent Greater MetroWest Synagogue Leadership Seminar with Rabbi JJ Schachter, he shared that like the lulav, we are tied together as community. Some parts of the lulav, like the willow, standing alone are not strong, but tied together the lulav and our community can be a strong entity. We each need to be involved in community, for ourselves and for others. Without community engagement, there are communal consequences for our inaction. Our MJCBY community is a strong community when we work together.

So, we want to ask each of you, how would you like to be involved? What talents and skills can you share with our community? Would you like to participate in a committee (lifelong learning, membership, fundraising, ritual, legacy...)? Do you have an idea for an upcoming program or new people to invite to join us? We want you to be actively involved and be able share with others, how you care about being involved in the MJCBY community.

You can always reach us at [president@mjcbby.org](mailto:president@mjcbby.org). We look forward to hearing from each of you!

# Shalom Yeladim The Judie Gerstein Early Learning Center

**T**ime flies when you are having fun!!! It is December already and we have been in school for the first half of the school year. Our little ones are making connections, learning and creating beautiful memories. They enjoy seeing each other every day and it is great to watch how new friendships develop.

In Shalom Yeladim we are constantly teaching the children the mitzvah of caring for others. Every Friday, we collect tzedakah and we also collect different items for different organizations. This year we will be partnering with the Deirdre's House, which is the Child Advocacy Center for Morris County's child victims of abuse and/or neglect. The preschoolers will be sorting the different donations to go to the different people in need. This year has been very challenging for the Deirdre's House clients and families and we will help bring smiles, hope and joy to them during this Holiday Season.

## **SISTERHOOD MENORAH LIGHTING!**

Thursday, December 2 - 6:30 p.m.

Join Sisterhood as we gather via ZOOM to light the candles on the fifth night of Hannukkah!

Please RSVP by December 2, to paula.czeisler@gmail.com

Hope to see you there!

**DOROTHY COHEN**

**DONNA GROSS**

**W**e hope our monthly message reaches you during the festival of lights. Please join us as Sisterhood lights the many menorahs on Thursday, December 2 as we kindle the lights for the fifth night of Hanukkah at 6:30pm. Please RSVP by December 2, to Paula at paula.czeisler@gmail.com to get the ZOOM link.

We were hoping to join together in person, for the menorah lighting, but it was not possible; however, 23 of our Sisterhood members gathered in person at our paid up event at Glassworks on Sunday November 14. After so many months of isolation it was wonderful and surreal to meet together in person. We met at the Swiss Chalet beforehand for coffee and a nosh so that our creative juices were well nourished. We then headed to the studio (sisterhood was the only ones in attendance) and proceeded to make hand painted Kiddush/wine glasses. Some of us choose to participate with fused glass projects instead.

We welcomed many new members that morning, as well as, catching up with some old friends. We talked, laughed and had a good time. We spoke about Sisterhood Shabbat coming up February 5 and we were able to assign parts of the service to many of the attendees. Please join us for Sisterhood Shabbat where we will be offering assignments, in person and via ZOOM. Contact Judy at judysilver@yahoo.com. We're hoping to have a regular Kiddush afterwards if all goes well.

We hope that light and love follows you well past Hanukkah!

Donna and Dorothy

## **SISTERHOOD SHABBAT**

**Join us for this Spiritual Shabbat led by our Sisterhood members!**

**Judy D. will be in touch!**

# Religious School

**W**hat an exciting month we had at Religious School!

While we normally do not give much credence to Halloween, we seized the opportunity to teach a fascinating Jewish story about the Golem - a clay creature that was created by Rabbi Yehuda Loew (the 'Maharal') of Prague in the 1500's. The Golem's job was to protect the Jewish people from antisemitic attacks and programs. Our 6th and 7th grade students reenacted the story to our younger students, as we were introduced to the persona of the 'Maharal', and learned new vocabulary words like 'Kabbalah' and 'Genizah'.

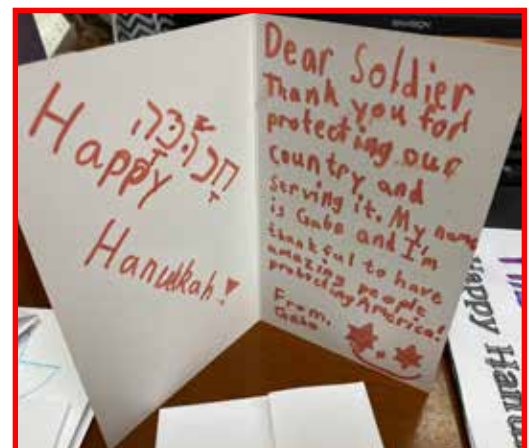

In preparation for Hanukkah, our students were visited, via zoom, by Judge Keith Freedman from Rochester, NY, who runs the 'Jewish Soldiers Project'. Judge Freedman speaks to Jewish students all over the country and collects letters and care packages that he then sends to Jewish soldiers stationed all over the world. Our students were able to ask him questions about this wonderful mitzvah opportunity and heard about some of the exciting and often remote places our packages might make it to: Iraq, rural Africa, all over Europe and more. Many thanks to all the students and families who participated in writing cards and sending in treats and goodies to brighten the soldier's Hanukkah!

We are excited to participate in the annual MJCBY Hanukkah celebration on the Morristown Green, and hope the entire congregation joins us to hear our wonderful students sing Hanukkah songs! Please join us on Sunday, December 5 for a Hanukkah celebration at MJCBY. This event will be open to the community and will include a performance, dreidel tournament, treats to take home, and more!

Junior Congregation (for grades 3 and up) continues to meet as we learn the songs and prayers of Shabbat. Our next JC is on December 18. Minyanaires (for our post B'nai Mitzvah students) meets next on December 11. Don't miss these wonderful opportunities for your children to celebrate Shabbat with community and meaning.

Our ALP (Advanced Learning Program) Students hosted a fascinating talk on combating hate speech with Michael Melasky. Our next meeting is on December 13, when our fantastic group of Teens will continue to explore contemporary Jewish topics.
