*" I adorned you with jewelry:
I put bracelets on your arms
and a necklace around your neck,
and I put a ring on your nose,
earrings on your ears
and a beautiful crown on your head.
So you were adorned with
gold and silver..."*

Ezekiel 16:11-13

JEWISH JEWELRY

Jewelry is a canvas for personal style and self-expression. Beyond aesthetics, jewelry can also carry profound symbolic meaning and even take on a unique mystical dimension. When it comes to Jewish jewelry, this is certainly the case, and features a rich collection of symbols that hold deep religious and cultural significance.

Jewish jewelry is made up of symbols that represent religious, cultural and spiritual elements. Whether it's a Star of David, Hamsa, or a red string bracelet, each piece is a connection to Jewish heritage.

At its core, Jewish jewelry is not just an accessory; it's a tangible piece of heritage, a reflection of faith and spirituality, and a testament to the rich tapestry of Jewish culture that has endured and thrived for centuries.

Your MJCBY Sisterhood Judaica Shop has a wide variety of jewelry for women, men, B'nai Mitzvahs, children, gifts for special occasions and just to treat yourself to something new!

In Kabbalah, the two interlocking triangles represent the reciprocal relationship between man and God. Our good deeds are represented by the triangle pointing up to God and God reciprocates by allowing holiness and beneficence to flow towards us. When a Star of David is worn on jewelry, it helps us feel like we are walking with the protection of God and as a reminder of his presence. It also shows our love for the State of Israel.
